

ONTARIO RACING DELIVERS \$2.5 MILLION IN PURSE MONEY TO STANDARDBRED RACING INDUSTRY

Stranded Purse money to be used as intended

Ontario Racing is pleased to announce that it is distributing \$2.5 million in stranded purse funds to support standardbred purse enhancements and supplements.

Ontario Racing will ensure that the funds are used to fulfill their original purpose: supporting both standardbred purses and standardbred racing participants across Ontario.

The funds will support standardbred track purses, where most racing participants earn their living

The funds will be distributed over a twelve month period, through an 8.9% purse increase

The distribution of the funds will be publicly reported by Ontario Racing, transparently and accountably

This initiative is part of Ontario racing's objective to consolidate and administer government and industry programs that benefit the horse racing industry
